ABOUT MARIAH SIMONE'

Mariah Simone' is a gamer, educator, speaker, entrepreneur, podcaster, writer, and entertainment personality, also known as Pink Cadillacz in the digital world. She teaches passionately on all subject matter related to Gaming, Esports, Social Justice, Placemaking, and Technology.

Mariah has a passion for accessibility and equity in education and technology. She is the Founder of **Global Patch**, a 501c3 nonprofit that helps marginalized communities globally get education and career access to the games, esports, media, and technology industries.

Mariah uses her platform to provide resources and share information to help people get where they want to be.
